

Boomerang

Supplies:

Cardboard
Scissors
Paint (assorted colors)
Pencils with good erasers on them

Instructions

1. Trace the shape of a boomerang on a piece of cardboard, sizes can vary.
2. Cut the boomerang pattern from the cardboard.
3. Using the pencil, trace wavy lines, circles and triangles on the boomerang.
4. Dip the eraser of a pencil into the paint. Carefully make painted dots along your penciled lines. (use a different pencil for each color of paint).
5. Let the paint dry completely.
