

Elephant Mask

Supplies:

Large paper plate
Large paper plate
Grey paint
Grey construction paper
Colored construction paper
Decoration (paint, gems, markers, etc)
Glue

Instructions

1. Paint the back of the paper plate grey, let dry.
2. Once paint is dry cut out the eye holes.
3. Using the grey paper, cut a trunk and two ears (remember that Indian elephants have small ears).
4. Glue ears to the sides of the face and the trunk to the middle.
5. Making sure the black paint is dry, paint a thin red pinstripe down each "leg".
6. Glue the triangle to the plate so the point sits between the eyes.
7. Using the decorating items, decorate the head-dress.
8. Make a small hole in either side of the face.
9. Tie elastic through and tie to make a mask.
